Super 20-4-8 Slow Release 20-4-8

CYCLE WORKS

Super 20-4-8 is a high nitrogen completer fertilizer for heavily used turf areas. It contains micronutrients and organic acids derived from composting and biostimulants. **Super 20-4-8** is suitable for foliar feeding. Nitrogen is provided in plant-available forms that induce a rapid turf response and excellent color. Organic acids increase the availability and uptake of nutrients producing a more vigor turf.

Application Instructions		
Application	Rate Per 1000sq.ft	Frequency
All types of warm and cool season grasses	3-7.5 ounces	Apply every 14-21 days
House Plants & Gardens (Foliar spray)	1 Tablespoon per quart of water (Apply a light mist to leaves until point of runoff)	Apply as needed

To ensure compatibility with foreign products, a jar compatibility test is recommended. Always fill tank with water first, then add product while tank is circulating. NEVER MIX CONCENTRATES DIRECTLY TOGETHER

Guaranteed Analysis:
Total Nitrogen……..……..…..…….20.00%
5.53% Ammoniacal Nitrogen
2.46% Nitrate Nitrogen
11.97% Urea Nitrogen
0.04% Water Soluble Nitrogen
Phosphate (P2O5).....4.00%
Soluble Potash (K2O).....8.00%

Derived From:
Urea, potassium phosphate, Ammonium phosphate, ascophyllum nodosum, seaweed and menhyden fish, also includes triazone slow release nitrogen, humic acid and amino acids

Benefits of Use:
Suitable for foliar feeding.
Increases tolerance to multiple stresses
Increase turf vigor
More consistent and sustained turf color.

Problem Condition:
General lack of vigor.
Sandy soils with low CEC and water holding capacity.
Inconsistent turf growth due to excessive nutrient leaching.
Inconsistent turf color.

Physical Properties:
Weight per gallon……...10.31 lbs.
Ph ……...7.5-8.0
Each gallon contains….. 1.65 lbs Nitrogen
0.42 lbs Phosphorus
0.82 lbs potash

Appearance and Odor: Cocoa brown liquid, sweet odor.

Storage:
Store between 41°F and 77°F, do not expose to direct sunlight for long periods of time. AVOID FREEZING!

Container Size:
2.5, 30, 275 gal.

Disclaimer: It is not recommended to use this product with fungicides and pesticides, it's the users responsibility to conduct all trial test.

Caution: Keep out of reach of children. Harmful if swallowed. Avoid contact with eyes, skin and clothing. If on skin wash with soap and water. If in eyes, rinse repeat ably with water.
